ANDREW MORENS
Every kind from Bach to Blues!

JEANETTE REID
Choirs that are perfectly modulated, perfectly harmonized bring goosebumps on my arms and tingles down my spine.

SERGE LAURENDEAU
Any kind, as long as it is well performed — especially when it's stereophonic and heard through headphones late at night.

ROSS OAKES
Broadway musicals bring me the most enjoyment. These musical performances are usually built around good plots with music and lyrics putting across the story.

MILLICENT MAZUMDAR
I like listening to music in general. However, among my favourite composers I'd list Chopin, Brahms, Strauss, and Piaff.

ALLAN MACKAY
ANGELIKA LAURITIS

MICHAEL KONARZEWSKI
Rock music. As Mick Jagger says: "I know it's only rock'n'roll but I like it!"

LEONARD SULLIVAN
A variety of sounds reflect my taste in music. My only prerequisite is — "Turn the Radio Down!"

CECILIA B. LABERGE
Le violin car "Mieux vaut danser au violon qu'au baton!"
